GOV. BILBO TO BE A CANDIDATE FOR SENATE IN 1922

Has Announced to Friends That He Will Make the Race for Williams' Seat.

Jackson, Miss., Nov. 5.—Governor Theodore G. Bilbo has stated to friends within the past few days that he intends to be a candidate for the United States Senate in 1922, and that he hopes and believes his principal opponent will be Ex-Senator James K. Vardaman, who has been his political supporter since 1910.

The term of Senator John Sharp Williams expires in 1923 and unless that brilliant statesman can be induced to change his mind, which at present does not seem probable, he will not be a candidate for the election.

The declared candidacy of Bilbo, following the formal announcement about four weeks ago from Ex-Senator Vardaman, who intends to run for the seat of Williams, does not mean that Bilbo and Vardaman are to have the field to themselves.

The political element that has always opposed Vardaman and Bilbo, will consequently have a candidate in the field and this time, according to present prospects, may have a decided strategic advantage with Bilbo and Vardaman dividing their strength.

The news of Bilbo's candidacy comes as a decided surprise to many of Vardaman's followers but this feeling is shared by intimate friends of Bilbo, who have believed ever since his defeat for congress in 1918, that he would try to come back at the first opportunity, and aspire to nothing less than a seat in the United States Senate.

Up to far no action has been taken towards making a candidate to succeed Senator Williams by those opposed to Vardaman and Bilbo. Many of the speakers regard the race as too far in the distance to worry about.

However, the relative merits and chances of some of the conservative leaders are being informally discussed. One name prominently mentioned is that of Congressman Webb. Friends are confident that he is able to vanquish Vardaman or Bilbo, either singly or coupled in the running.

The news of Congressman J. C. Williams, of the district, who has made a frequently mentioned name, is also mentioned in the district, who has defeated candidate for governor by 8,000 votes in the primary last summer.

Intimate friends of Senator Williams say that there is not a remote chance that he will change his mind on the question of retirement. "He is now in his 65th year, and while in good health, is frankly tired of public life, and the wearisome round of routine duties in Washington."

It is his desire to spend his remaining days on his plantation in Yazoo County, surrounded by his books and friends, and he is being discussed here with much animation during the approaching legislative session.

BAY HIGH SCHOOL NOTES.

School opened September 15th, with an unusually large attendance. We have several new pupils who come from a distance, and are glad to have them with us. We feel especially proud of Fred Dahl, Besse and Louis Salazar, who live on Jordan River and manage to get to school on time, rain or shine. We wish to thank Mrs. Seever for helping out when we could not secure an English teacher, and regret very much that she will not be with us all the year.

Our Faculty has been completed by the arrival of the two new teachers, Mr. Spencer, principal, and Mrs. Roddy, assistant.

Two new phases of our school work are typewriting and bookkeeping. We have a very promising class of sixteen in typewriting. Only the boys are interested in bookkeeping.

Both boys and girls are enthused over athletics. We have organized athletic associations, cleaned up the courts, and contributed largely to the athletic funds. Mr. Spencer will coach the boys and Miss Strother the girls.

Thanks to Mr. Spencer, the school yard is being kept cleaner than ever before.

The Literary Society was organized last Friday afternoon, October 24th, and the following officers elected: Grady Perkins, president; Bert Jackson, vice-president; Edna Ervin, secretary.

The first program will be rendered on Armistice Day, Tuesday, November 11th. Hon. Carl Marshall has promised to deliver an address that day. All the patrons and those who are interested in our school work, are cordially invited to attend the meeting.

We wish to thank Mr. G. R. Rea for his liberal donation to our library, twenty-four volumes of standard classical literature. The books are a great help to the school in general.

If you will notice when you pass our school, you will see a new fence around the hedge. Randolph Firsching gave it to us to protect the hedge from animals and children passing through it, which tends to hinder its growth.

Wednesday, November 6th, Prof. Talbert gave those who wanted to see the circus, a half holiday. A crowd of us took advantage of it and thoroughly enjoyed the afternoon at the circus. On Thursday following we went to our lessons with more vim, due to the outing.

Thursday morning November 6th, we were honored by the presence of Mr. Henry Osoinach, Chairman of the Red Cross drive, and Miss Eugene Rea, Red Cross worker. They discussed the Red Cross during the war and explained its peace time program.

Our Seniors are proficient in English. One of them has discovered a new way of showing possession with pronouns. Her new rule of syntax requires that you add apostrophes and s's for instance, H's.

We are constantly enrolling new pupils. Thursday, the 6th, we enrolled a new pupil in the Junior class, Byron Lawrence, of Chicago.

Friday afternoon Mrs. Talbert entertained the pupils of the Primary Department with a Halloween party.

Death of a Venerable Citizen.

Gaetana Loicana, better known here as the father of A. Loicana, died at the house, church and cemetery. The funeral was largely attended.

Mr. Loicana was well known and had many friends. He was industrious and labored in and out of season. By his industry he demonstrated the possibilities of the soil and made quite a success of his work, until he was forced to retire from active work by his advancing years.

He was born in Italy, October 10, 1845, and at the time of his death was 74 years old. He came to this country, landing at New Orleans, 30 years ago from which place he resided seven years, after which he came to Bay St. Louis, residing here continuously the balance of 38 years. He is survived by five children, four sons and one daughter, namely: Mrs. Francis Scandif, Mrs. Sam. Laga and Marini, all residing in Texas.

The funeral took place Sunday afternoon, interment at St. Mary's Cemetery, Rev. Father A. J. Gmelch, pastor of the Church of Our Lady of the Gulf, officiating at the house, church and cemetery. The funeral was largely attended.
